What team plan to do

Integrating everything. Mobile app → OCR → database → AWS

Team mobile

Julio Espinola – Going to work on the profile page, and camera. Going to work on the about page.

Nathnael Seleba ■ Camera, sign up, sign in, forgot page, uploading photos.

William Ent- Expenses page

Team Database

Brian- Ready to integrate sign in database to the mobile app.

Mason- ready to integrate the entire database needed to the mobile app.

Team AWS

Ichinnorov Tuguldur – Integrating the Mobile app pictures taken to s3 bucket.

Ibrahim S – Integrating OCR to AWS. Ready to integrate.

Integration

Jacob- Connecting mobile app to the database.

Professor Feedback

- Need more work, only ten days left before demo.
- No need to wait for integration. The sooner the better
